Following the principles of the balance method, originally developed by Richard Teh-Fu Tan, O.M.D., L.Ac., Mark Tryling, L.Ac. has incorporated Meridian Balancing into a system of pulse diagnosis that can be used very effectively in treatment. It is a critical technique for evaluating the correct treatment option for practitioners using the balance method or who wish to incorporate the balance method into their practice.

You will Learn:

- * How to use The Pulse Matrix™ system in diagnosis and determination of acupuncture treatments and herbal prescriptions;
- * The Pathological Evolution of the Six Stages;
- * The Five Element Movements and Pathologies;
- * Interpretations of the 3 Positions and 3 Levels;
- * Understanding and using Systemic and Holographic Bodies;
- * And More!

Mark will provide a review of his meridian balance method as part of the program so those who do not have experience in this method will benefit.

The Pulse Matrix™ has been granted a total of 14 hours of CAE credit (12/general acupuncture, 2/herbal) by the Texas State Board of Acupuncture Examiners.
