*Please bring 34/36g, 1.5" needles for practice!*

Mark Tryling is a long-time follower and practitioner of Dr. Richard Tan's Balance Method - a system that has been shown to be extremely effective for treatment of chronic and acute pain, respiratory, digestive, and other internal syndromes, and much more!

One of the most profound concepts Mark has learned from Dr. Tan was the development of the Ba Gwa. Excellent sources for background on the Basic Balance Method/Meridian Balancing are Dr. Tan's books - *The Twelve Magical Points* and *Acupuncture 1,2,3*. "The Dao or the Way is the source of Yin and Yang."

Mark is also a very active member of the Tan Forum (a great resource for those interested in or practicing meridian balancing). During this seminar, he will provide useful information, demonstrations, hands-on practice, and materials that you will be able to put to use immediately.
